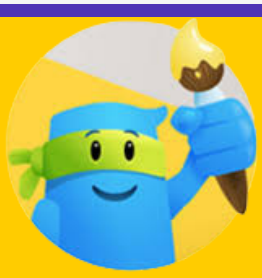
Mini Digital Art & Animation & Vibe Coding

The Henry Moore Primary School

After School Club

CREATE, CODE & HAVE FUN THIS AUTUMN AT THE HENRY MOORE PRIMARY SCHOOL! DISCOVER OUR NEW CODING CLUBS BELOW.



Perfect for younger learners who love to draw and imagine, this fun and engaging course builds confidence while introducing simple coding concepts. From storyboards to animated movies.

Children explore ideas like loops and functions, developing creativity and early problem-solving skills.

Children will learn to vibe code by creating simple apps. They'll develop an understanding of how to create reliable projects in a fun, practical and safe way.

Exploring how AI and technology are used in the real world today.

Mini Digital Art & Animation:
WEDNESDAYS FROM 3:30PM-4:30PM
Y1-Y2

Vibe Coding
THURSDAYS FROM 3:30PM-4:30PM
Y3-Y4
