

Welcome to Our Attendance Page

We are pleased to introduce the School's Education Welfare Officer, (EWO) Angie Brooks.

Angie is a very experienced EWO, and brings with her a wealth of knowledge, to support and enable parents, to ensure their children's attendance is in line with the Government's expectations of 96% or above.

Please find below an introduction to Angie:

Hello,

My name is Angie Brooks and I am your Education Welfare Officer.

I have worked in the Community for over 25 years and bring my experience and knowledge to HILT Academies.

I will be looking at students' attendance and contacting families to offer strategies and support. I will provide guidance and initiatives to the school and liaise with support agencies and other professionals.

The Government's stance is now, 'business as usual', in line with the National Support First Strategy. This means students must 'attend every day that is available to them' unless there are barriers to them attending regularly in which case we will endeavour to offer support to overcome those obstacles. This is our expectation..

I will be available every Friday, for any questions you may have or any advice you would like. Please contact me on the email address below or phone me at either school.

I look forward to working with you all.

Mrs Angie Brooks

Education Welfare Officer
