Maths:

We will be continuing our fractions unit - comparing ordering, adding and subtracting and eventually onto multiplying fractions. We will then multiply and divide numbers up to 4 digits.

Spellings:

We will be learning about the following spelling patterns:
*words ending in -ible and -able
*words with silent letters
*words using the suffix -fer
*words that are adverbs of time.
* Year 5 and 6 spelling list, words that do not follow any spelling pattern.

Our life skill of the term is:
boiling or frying eggs.

Art:

We will be looking at the art of Iman Joy El Shami-Mader, researching and learning about mythical creatures.

French: A l'école (At School)

We will begin to recognise and recall which subjects we study at school.

History:

We will be learning about and comparing different periods of history, what contributions they have made to our current lives and what we can learn from them, based on Ancient Greece.

Our language of the half term is Mandarin.

English: Greek Myths

We will be retelling a number of different Greek Myths including looking at 'The Adventures of Odysseus'. We will also use the knowledge we have learnt about the Ancient Greeks to write information texts.

Computing:

We will be learning about how the internet works, understanding search engines and will follow on with E-safety.

Grammar:

We will be revising relative clauses. We will continue to include figurative language and speech in our writing.

PE:

We will be learning about invasion games such as tag rugby alongside outdoor fitness. For indoor sessions, we will be practising sports hall athletic activities.

Science

We will be learning about reversible and irreversible changes, by investigating solutions, mixtures and process by which a new substance can be made.

PSHE:

We are learning about managing, saving and spending money.
