Intent-Implementation-Impact Statement

Subject: Physical Education- PE

Intent

- To provide a broad and balanced PE curriculum that meets the needs of every child.
- To inspire children to become lifelong active individuals.
- To develop the understanding of a range of sporting activities.
- To develop skills for working both individually and as a part of a team.
- To support children in their early development of becoming healthy individuals and the understanding of continuing a healthy lifestyle.
- To teach the techniques and skills required for participating in all areas of the PE curriculum.
- To promote sportsmanship and promote positive values that will benefit the wider community.

Implementation

- The teachers will plan exciting and engaging lessons for all areas of the PE curriculum to ensure a broad and balanced PE curriculum is offered to all children.
- Provide a wide variety of sporting activities within the school day.
- Teachers to promote their interests in various sporting activities to try and engage children into trying something new.
- Introduce the children to a wide range of games, dance activities, gymnastics opportunities and swimming experience.
- Henry Moore offers opportunities each term to take part in intra school competitions in a variety of sports organised by our school council and teachers involved.
- All children will complete 2 hours of physical activity every week, with additional time offered at extra-curricular activities throughout the week both before and after school.
- PE at Henry Moore Primary School provides challenging and enjoyable learning through a range of sporting activities including; invasion games, net & wall games, strike and field games, gymnastics, dance, swimming and outdoor & adventure.
- Children are invited to attend competitive sporting events within the local area. This is an inclusive approach which endeavours to encourage not only physical development but also mental well-being. These events also develop teamwork and leadership skills and are very much enjoyed by the children. Children are given an excellent sporting calendar throughout the year to take part in inter school competitions in a variety of sports.

Impact

- Children to develop life skills to be physically literate and life long active learners.
- Children to develop a positive attitude towards Physical Education and sporting activities.
- Children to become more active both within school and in their own time and to make better decisions with their diet and the exercise they participate in.
- We will equip our children with the necessary skills and a love for sport.
