Topic: 'Journey into the Unknown'

This half term focuses on famous explorers such as Neil Armstrong, Mae Jemison and Christopher Columbus.

PSHE:

This half term we are exploring what makes us unique and how to be a good friend.

Year 2: Things to look forward to in Autumn 2!

Maths:

This half term focuses on addition and subtraction skills, using number lines, hundred squares, bar models and whole part models to embed and develop fluency in number facts.

We are continuing to develop our spatial reasoning skills.

Reading/ED Shed:

Please continue to read daily with your child, write a note in their reading records and tick off their keywords.

We will be continuing to use ED Shed. Please continue to do 5 games to try and earn a Royal Bee

Our life skill of the half term is:

Writing cards

ART:

We are continuing our study of Amber Marine this term. Creating an under the sea art inspired by Amber Marine's creations of sea creatures. We will also focus on Christmas art this half term, using the skills we began developing last half term.

Our language of the half term is: Polish

English:

In English we will be exploring a range of texts throughout the term, focusing on story retelling, using a range of sentence openers and conjunctions with a big focus of letter formation and joined handwriting.

P.E:

Indoor: Dance

Outdoor: Catching and throwing

Music:

- This half term our music focus is working as part of an ensemble and practising, rehearsing and presenting to an audience.

Science

In Science this term we will be exploring materials, naming, categorising and investigating the appropriate material for different uses e.g. what material is best for an umbrella?
