w/b 08.06.2026 - Phonics screening week

16.06.2026 - Sports Day

29.06.2026 - Year 2 End of Year Assembly

08.07.2026 - Church Langley Walk

17.07.2026 - Whole School Picnic

17.07.2026 - Break up for Summer break

Maths:

In maths this half term we will concentrate on learning mass, capacity and temperature. Then we will be moving onto statistics.

Continue to access Times Table Rock Stars, it is accessed via Wonde and uses the same password as Numbots.

Spelling and Grammar:

We will continue to use ED Shed, please continue to play your 5 games.

Please continue to practise the common exception words that they are working on.

Our life skill of the half term is:

Building resilience

DT:

During our design and technology lessons this half term we will be designing and making our own lighthouses. We will develop the ideas of pullies and how they work. We will be using paper mâché to coat the pringle tubes.

The Seaside

Our language of the half term is
French

Music:

This term we will focus on composing our own pieces of music.

English:

This half term we will be reading books such as The Lighthouse Keepers Lunch and The Storm Whale. We will also be looking into poetry and creating our own poems. From this we will be doing diary entries and recounts.

P.E: In outdoor P.E. lessons we will be learning the skills to play 3 Tees Cricket. sessions. Our Indoor P.E this half term will be athletics.

Please ensure your child is dressed appropriately for outdoor PE. A gentle reminder that no earrings should be worn on PE days.

Geography:

We continue with 'The Seaside' topic. We will develop geographical skills such as map reading, use aerial photographs and atlases to identify landmarks in our locality. We will also compare where we live to a coastal town. Key vocabulary: coast, bay, cliff, lighthouse, ocean, tides, ebb and flow, compass points.

Science:

This half term we are learning about bulbs and seeds and will be growing our own.
