School Uniform Policy

School Uniform

We believe that wearing school uniform promotes a positive attitude, high standards and a sense of belonging to the school.

Uniform worn smartly helps pupils to feel good about themselves, which has a knock-on effect with regard to how they function within the school.

We encourage the full wearing of school uniform appropriate to the weather at all times. This is in preparation for secondary school where uniform is more enforced.

Please ensure that all items of clothing and other belongings are clearly named.

Shoes

'Sensible' shoes should be worn to school at all times. For example-plain black shoes or boots only.

This means:

- No trainers
 - No heels
 - No boots in summer
 - No sandals in winter
 - No 'strappy' unsafe shoes
 - No fashion shoes with lots of difficult laces
- (Clearly this guidance is for Health and Safety reasons)

High Street Uniform

There is no requirement to wear branded/school logo uniform. Items of similar clothing from high street shops are very acceptable.

Pre-Loved Uniform

The school has a supply of 'pre-loved' uniform.

Parents/carers should contact the Pastoral Manager at the school for information about this.

The school is happy to receive donations of pre-loved uniform for this purpose.

Thank you.
