

Sporting Success at Henry Moore Primary School 2019/20

What an unusual year! Although so many events were unable to take place we must of course still celebrate the fantastic events that the children did get the opportunity to take part in this year. Unbelievably we had over 160 children taking part in activities this year, with so many more just missing out on taking part in their event.

Year 5 & 6 Dodgeball

We started the year in October with the dodgeball competition qualifiers at Mark Hall. The children always enjoy playing dodgeball at school and get the opportunity in golden time and PE sessions. Teachers selected children from Year 5 and 6 to represent the school in two teams. Both teams were amazing! The Year 6 team qualified for the finals where they played against the best teams. Unfortunately, they were out just before the final. Well done to both teams, we look forward to entering this again in the Autumn Term.

Year 5 Team- Stanley Dzingel, Gabriella Ioannou, Georgie Pickering, Zane Naciri, Austin McKenzie Barnes, Kacper Lecki, Kelyan Ble and Harry Collins.

Year 3 & 4 Football

We selected children in Year 3 & 4 to represent the school in the football festival held at Passmores School. The children selected played amazingly! Two very strong teams played well together and won most of their games scoring a very high amount of goals! We look forward to seeing these children continue through Henry Moore.

Year 5 & 6 Girls' Football

Mr Tyrrell and Mr Spencer were thrilled they had so many girls join their Friday morning football club this year so it seemed the perfect year to enter the girls football competition. The girls were all very keen and extremely passionate about achieving the best score in every game they played! Through a flip of a coin between three teams (including us) who all scored the same amount of points we were in the final three teams. We won both games and became Harlow Champions! The girls went on to represent Harlow in the Essex County Finals. The girls were amazing and battled

through several games winning some, drawing some and losing a few! The girls represented the school with great spirit and attitude towards every game they played. They were a pleasure to watch! Well done girls!

Year 5 girls- Georgie Pickering and Gabriella Ioannou.

Year 6 girls- Skye Pearcey, Emelia Georgiou, Emilia Allen, Annabel Barker, Lily Johnston, Marlie Wells, Eden Penn and Ruby Layer.

A second competition was held at Henry Moore later in the year, which was the first round of the Harlow Schools Cup competition. The team from Henry Moore finished in first place and were keen for the second round. Unfortunately, this was to be held in April so did not go ahead. Well done to all those involved!

Year 3 & 4 Girls' Football

After several weeks of learning football in their PE sessions, the girls below were selected by their class teachers for the girls' football festival held at Church Langley School. We put the girls together on the day and they played amazingly together! In fact, they played so well they found themselves up against staff from our sports organisation playing for the opposition to try and even out the game! I'm sure My Tyrrell and Mr Spencer will be pleased to see some of these girls join the school club next year. Well done to our girls 3 & 4 team!

Year 3 girls- Amelia Surtees and Isobel Baynes.

Year 4 girls- Sophie Clark, Amanda Daltrey, Olivia Cowley, Chloe Davis and Ariana Bordeianu.

Year 5 Dance Festival

Miss Delliston taught all of our Year 5 children many Irish dancing skills during their PE sessions, it was the perfect opportunity to select a dance group to represent Henry Moore in the dance festival held at Mark Hall Sports Centre. After weeks of hard training and working on several set plays and drills to improve fitness and skill, two teams were selected for the tag rugby competition at Harlow Rugby Club. We were extremely disappointed to be let down by the British weather! The competition was rained off not once but twice as the pitches were flooded! We still want the children selected to be recognised for their great performance in training, which is why they were selected. Disappointingly, I know how well these teams would have performed this year.

Year 5 & 6 Cheerleading

To make our work even harder, we entered two teams into the cheerleading competition! We taught a small squad and a larger squad different routines to different songs so they would be entered in to different categories and not be in competition with each other. Both teams worked exceptionally hard in training, at home and during their lunch breaks to learn some difficult routines. Timing needed to be spot on and not a hair out of place at the wrong time! Both teams performed in front of a large audience at Harlow Leisurezone and were both awarded a well deserved second place in their category. Well done to all children involved!

Year 3 and 4 were unable to attend their trial, we hope you will all join us next year. Unfortunately, the gala was due to take place in April, therefore our chosen teams were unable to compete. Thank you to all children and parents for attending the trial. Congratulations to those children selected!

Key Steps Gymnastics

For this competition it is essential to trial the children first before running our club. We invited all children from Years 1 to 4 to the trial to show their gymnastic skills. A large amount of very brave children attended. Children were asked to deliver several skills that are a requirement for the competition. Two teams were selected but unfortunately, they did not get to experience training or the competition. Good luck to these children for next year.

We know how disappointed many children would have been to not get the opportunity to take part in past events, however we are confident you will continue working hard in your sports and get the opportunities and experiences you deserve in your future at Henry Moore and your new secondary schools. We want to take this opportunity to wish all the Year six children the very best in their new secondary schools, they are lucky to have you!

Thank you to all the teachers who give up their own time away from busy classroom expectations to help support in clubs and at competitions. Thank you to all the wonderful parents and grandparents for all your continued support with braiding hair, providing clothes, giving lifts and for your constant encouragement on the side lines! Finally, thank you to all the magnificent children who turn up week in week out at training sessions, you honestly make us so proud and you are the reason we continue having the passion we do to ensure you get the best experience you deserve from your time at Henry Moore.

Looking forward to a busier year next year! Hope you have a great summer with your family, stay safe x

Miss Robinson and Mrs Broughton.
