

Dear Parents and Carers,

We are pleased to confirm the arrangements for this year's Christmas performances.

Following feedback last year, we trialled a few changes to the logistics of these performances, which appear to have been successful. Please read below for the arrangements for this year's end of term performances. Please note that other events across the school calendar will be looked at individually.

Tickets

Every family will be allocated 2 tickets. As always, it is your choice how you wish to use these tickets. You can use both tickets for one show, or spread them across shows. Tickets will be available on Arbor. Tickets will be allocated on a first come, first served basis, so once a show is full you may receive tickets for a show you did not choose. Due to fire regulations, you will be registered into the performance from the back of the hall.

Audiences

You will see that some performances welcome pre-school siblings (that sit on your lap) whilst others are adult only. Pre-school siblings will not count as part of your ticket allocation, however they must remain on your lap for the duration of the show. There will also be space outside the back of the hall, should you need to take your child out for a few minutes. Please do not be offended if you are asked to take your child out during a performance if they become fidgety and/or loud which becomes a distraction for those performing.

We look forward to seeing you at the performances!

Kind regards,

Sarah Cowley
Head Teacher
