

Dear Parents/Carers

We are proud to be supporting this years Poppy appeal. The Poppies will be sold in class this week for £1. The funds will go to the Royal British Legion.

The Royal British Legion (RBL) supports the UK's Armed Forces community, including serving personnel, veterans, and their families, through lifelong welfare and care. It provides financial, housing, and employment assistance, as well as specialist advice for physical and mental health and recovery.

Thank you in anticipation of your support for this very worthy cause.
