

Dear Parents / Carers

The Henry Moore Primary School will once again be supporting Jeans for Genes Day on Friday 19th September 2025.

Jeans for Genes is the national charity raising money for children with genetic disorders to fund the care and support they need, and the research which could change their futures.

All pupils are invited to dress down and wear something denim to help raise money, voluntary donations of any amount will be gratefully received, this can be paid via Arbor.

If it is the day of your child's P.E lesson, they will remain in their dress down clothing. Please ensure that their footwear is suitable for outdoor P.E.

We will be running a tuck shop, please send your child in with 30p if they wish to purchase a cake or biscuit. Donations of shop bought cakes or biscuits will be gratefully received from Tuesday 16th September to Thursday 18th September only. This is to ensure we have enough time to publish the allergens ready for Friday.

Any child with an allergy or intolerance can either bring in their own cake or biscuit in a container clearly labelled allergy or intolerance with their name and class or choose from the cakes/biscuits listed together with the allergens on the school website labelled Jeans for Genes. Please email choice in to welfare@henrymoore.essex.sch.uk clearly stating your child's name, class and choice/make of cake/biscuit.

If you would like to know more about Jeans for Genes Day, you can visit the charities website: www.jeansforgenes.com

Thank you in anticipation of your support with this worthy cause.
